

California Farmers turn the Tables on the greedy pencil pushing bureaucrats...HOORAY !!!!

FARMERS Market Farm Food purveyors
unanimously STOPPED paying their extortion
stall fees as local city bureaucrats at odds as
what to do....HOORAY AGAIN !!!! HERE'S WHY

1) FARMERS have always been screwed and manipulated by the wealthy and governments via laws, codes, rules, subsidies favoring a few, and innumerable controls....yet farmers/workers do ALL the work to feed the rest...RIGHT ?

2) Does anyone support the notion politicians/lawyers in Sacramento and city capitals (who work only their lying lips) should continue getting rich from OUR HARD WORK ?

3) You are of course aware that these self serving Sacramento pencilpushers including Governor Bonehead Brown are getting richer from "food deals" with China...whereas much of what be in Safeways and other food chains comes from China while undermining California Growers ...RIGHT ???.....

4) And the subsidies to ship this food from China (full of Monsanto pesticides) is of course being funded by you...the taxpayer....RIGHT ????

5) And of course you knew that Bonehead Brown and cronies get extra cash incentives from Amgen and other major pharmaceuticals for the steady stream of cancer patients created by eating Monsanto pesticides and genocidally inoculated animal flesh (all farm animals so vaccinated by

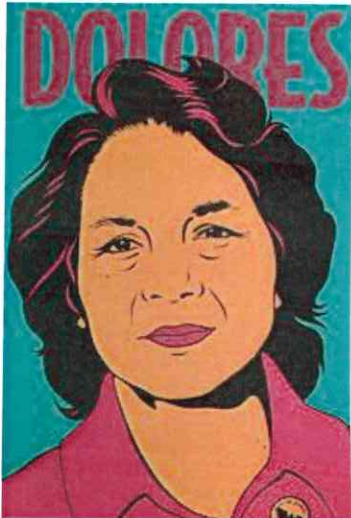

Federal Mandate since 1951)...know anyone dead from cancer ?????

6) Luther Burbank stated "This be the Most Blessed place on Earth to grow Veggies and Fruits".....so why are we accepting poison food from China and forever ABUSING our farmers and farmworkers ?

7) Just exactly how far do YOU need to be pushed before pushing back ?????/

8) Or are you so comfortably numb so as to continually incrementally screwed????????????????????????????

PUSH HAS COME TO SHOVE.....I'LL TRUST ALMIGHTY'S LOVE

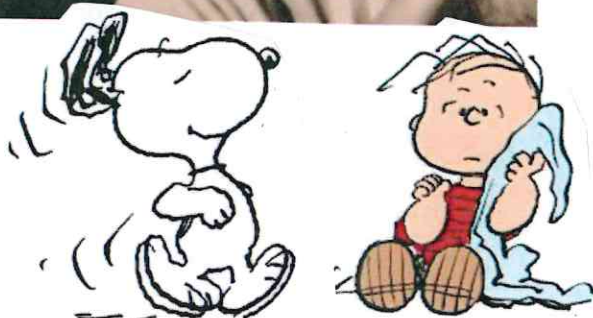

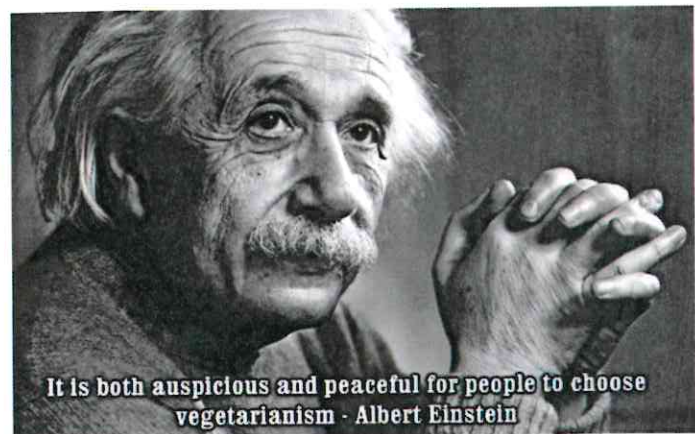

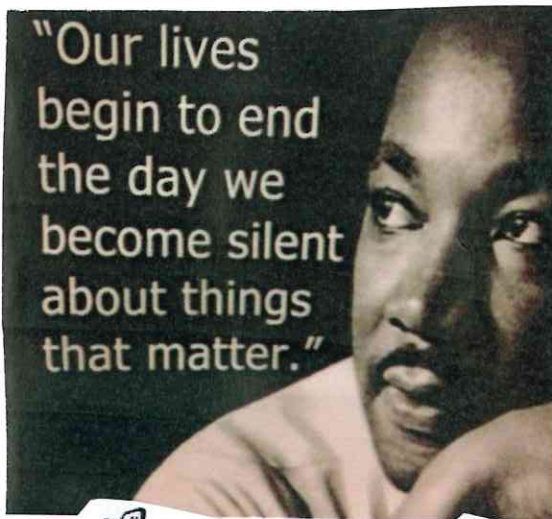

Quotes from "The Art of Peace" by Morihei Ueshiba

All life is a manifestation of the spirit, the manifestation of love. And the Art of Peace is the purest form of that principle. A warrior is charged with bringing a halt to all contention and strife. Universal love functions in many forms; each manifestation should be allowed free expression. The Art of Peace is true democracy.

California Farmers are the Backbone of this nation and WE WILL no longer be abused....both the Citizens and Law Enforcement need support the FARMERS...WHY ?....because these bank owned pencil pushing politicians are ruining everything but their own bank accounts.....and they will NEVER stop by their own volition.....therefore WE (farmers/labor/students/Law Enforcement/Veterans) have every JUST CAUSE to put them to their knees...from Sacramento to DC.....afterall would not make more sense to see these politicians, corrupt judiciary, all abusers of children and animals and lying lawyers locked up in the 1,000 plus FEMA Concentration Camps before DC orders Law Enforcement to lock us into these places ?

We are already and have been slaves to religious deception and illusion for centuries....the original Commandment against murder had long ago been altered by catholic correctors thereby UNDERMINING everything Moses gave and Jesus taught.....Coretta Scott King, Cesar Chavez, Dolres Huerta, Gandhi, Einstein and tens of thousands more knew this which is EXACTLY WHY they lived as Vegetarianos !!!!! But you knew this RIGHT ?

TIME BE NOW TO SUPPORT ONLY OUR LOCAL GROWERS AND BOYCOTT ANYONE SELLING CHINA PRODUCE AND/OR DEADLY VACCINATED ROTTING DEAD FLEASH....THIS BE GROUND ZERO...and slaves can become WARRIORS much easier while standing as opposed to be on our knees...RIGHT ?

This author Peter Tscherneff offers that for every "Oppressor" in DC or Sacramento that there be 50,000 of us. This country has harbored intense Mind Kontrol Programs designed to maintain a subservient acquiescent populace...works pretty well, ya think. The only thing they cannot control be the 40 Day General Strike that brings us into Thee Promised Land as seen by ML King while simultaneously placing all to their knees to the Living Lord !!!!
